

**MercyOne Northeast Iowa
Student Parking Guidelines**

2025

Parking Policy Highlights

Purpose

To ensure accessible parking is available for patients, families, visitors, colleagues, providers, vendors, and others at MercyOne Northeast Iowa.

General Considerations

MercyOne has committed to our residential neighbors to prohibit on-street parking.

Parking in fire lanes is prohibited at all times except for immediate delivery and receiving of patients.

All MercyOne providers, colleagues, volunteers, students, and third-party tenants must register their primary vehicles with the security department.

MercyOne is not responsible for any damages or costs associated with citation, towing, or parking violation sticker use.

Registering Vehicles

Vehicle Registration

All vehicles must be registered with the MercyOne Security Department

Students should access the electronic form below and provide their information.
