Des Moines Laboratory

Date: June 20th, 2023

Client Portal Access:

As a reminder, if you have not already done so, please send the following information to Lexi Ruiz, Kristi Spencer, or Noah Baumeister.

As part of our transition process to Trinity Health, our @commonspirit.org email will be no longer supported as of 6/25/2023. The client portals are currently set up with these domain names and therefore after 6/25/2023 the notifications from this system will no longer reach you.

To prepare for this change, we are updating email addresses to ensure continuity of access through this transition and beyond.

To help with an easy and smooth transition to Trinity, we would like for everyone who currently has or will need access to the client portal to send us the following information.

- Client ID (10 followed by 4 unique numbers to your clinic).
- Current @commonspirit.org email address
- New Trinity Health @mercyoneiowa.org email address

If you send it before 6/25/2023, please send it to the following email addresses.

Lexi Ruiz: lexi.ruiz@commonspirit.org

Kristi Spencer: kristi.spencer@commonspirit.org

Noah Baumeister: noah.baumeister@commonspirit.org

If you send it on or after 6/25/2023, please send it to the following email addresses.

Lexi Ruiz: lexi.ruiz@mercyoneiowa.org

Kristi Spencer: kristi.spencer@mercyoneiowa.org

Noah Baumeister: noah.baumeister@mercyoneiowa.org

New access information will be received at your mercyoneiowa.org email address.

Thank you for choosing MercyOne Des Moines Laboratory.
