Des Moines Laboratory Update

Date: March 23rd, 2023

Strep and Legionella Antigen Testing - Corrected Pricing

Effective March 22nd, MercyOne Des Moines Laboratory began offering a combined Strep Antigen and Legionella Antigen test, in addition to the separate, individual orderables for either antigen. However, incorrect prices were listed for each of these tests; we apologize for this error, and have updated the orderable details below to include correct pricing.

Test Name: Strep and Legionella Antigen
