Des Moines Laboratory Update

Date: August 19, 2022

CPT Code Changes

The following CPT code changes were made effective August 1, 2022:

- Respiratory Panel by PCR (RESPANPCR)
CPT code changed from 0202U to 87633.
- Occult Blood Screening Immunoassay (OCCBLSC)
CPT code change from 82274 to G0328

Please note that the CPT for Occult Blood Immunoassay Diagnostic (OCCBLDX) testing will remain 82274.

Client Price change for Cyclosporin Level

The client price for Cyclosporin Level, Peak (CYCLO P) and Trough (CYCLO P) testing will be changing to \$55.00, effective September 1, 2022. This change is a result of an increased cost for materials and reagents necessary to perform testing.

Thank you for choosing MercyOne Des Moines Laboratory.
