Des Moines Laboratory Update

Date: October 3, 2022

URGENT - Systems Outage

MercyOne Des Moines Laboratory is currently experiencing an unscheduled outage impacting numerous IT systems. **Please consider holding all routine testing and referring only Stat and Expedite requests to the laboratory until further notice.** Turnaround times for all testing will be significantly increased as a result of this situation.

Updates will be provided as information becomes available.

Thank you for choosing MercyOne Des Moines Laboratory.
