Breast Pump Purchase and Rental Information

Mercy Outpatient Pharmacy locations have pumps available for purchase. Bring your insurance card and pump prescription, and they will help you fill out the insurance paperwork so you can take your pump the same day.

Mercy Outpatient Pharmacies also offer many breast-feeding and pumping supplies, including: ComfortGel Pads, membranes, pump tubing, flanges, personal fit connectors, 9V transformer for Medela pump, pump kits, lanolin cream, nursing pads and more. They can also place orders for items not listed. For added convenience before you go home, you can also pick up any medications you need and Vitamin D for your baby!
